

How much does a session cost?

I charge \$60 for a two-hour session outdoors or on location in the south-Metro area. You are free to make as many clothes and/or location changes as you wish within the session.

Remember to include any props that you might want to use ... letter jacket, sports equipment, guitar, pets, hats, etc.

What else is included in the session?

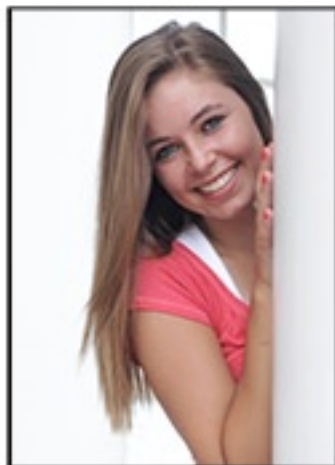

You will receive a Preview CD with all of the unretouched proof images included, a pose of your choice submitted to your yearbook, a release to "print" an image of your choice on your graduation cake.

I also include a pre-session planning meeting lasting 30-60 minutes and typically at a convenient local coffee shop. I like to meet first to talk about locations, clothes suggestions, your particular likes/dislikes, scheduling, and to answer any questions that you may have. This also gives you a chance to be sure that you're comfortable with me.

How do I order prints?

Prints are ordered *a la carte* by email using the image numbers included on your Preview CD. A full price list is available on my site and includes volume discounts.

How do I schedule a session?

Just contact me at:

952-237-3585 or mrephoto@charter.net

to set-up a planning meeting. Be sure to bring your schedule with you when we meet.
